DECLARATION

1. The Holding Is / Is Not under restriction for bovine T.B.
2. The Holding Is Not under movement restriction for any other animal disease or public health reason.
3. Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals whilst on this holding and previous holdings.
4. To the best of my knowledge these animals are free from any disease or condition which may effect the meat derived from them.
5. No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

Signed: Date:

If the animals do not fulfill the above statements tick this box and provide additional information on an attached document available from Jaspers
